

Made in USA

White Frost

Technical Specifications

Code: SV00

Roll Size: 1524mm x 30M

- Polyester film that simulates frosted glass.
- Creates a soft translucent appearance.
- Provides privacy without reducing natural light.
- Solvent based pressure sensitive adhesive.
- Silicone coated paper release liner.
- U.V. stabilized for minimal shrinkage.
- Suitable for direct sunlight applications.
- 10 year internal warranty.

Visible Light Blocked.....	35%
Infra-Red (IR) Blocked.....	72%
Ultraviolet (UV) Blocked.....	>99%
Total Solar Energy Blocked.....	35%
Visible Light Reflected.....	15%
Solar Heat Gain Coefficient.....	0.66
Luminous Efficiency.....	0.98
